SUMMARY OF THE REASONS FOR DECISION:

The computer image file entitled *Betty 06*, also known as *Photos\Betty\Betty 06* is classified as:
Objectionable.

The computer image file promotes and supports the exploitation of children for sexual purposes by explicitly depicting a girl displaying her genitals in a manner designed to titillate the viewer. The publication is therefore deemed objectionable.

The publication is a computer image file of a black and white photograph. The image is accessed from a Jaz disk formatted for an AppleMac computer.

The publication has been found to promote and support an activity listed in s3(2) of the Films, Videos, and Publications Classification Act 1993. This provision overrides s14 of the New Zealand Bill of Rights Act 1990 (NZBR Act) because it is a deeming provision which cannot be given a meaning that is consistent with the rights and freedoms set out in that section of the NZBR Act.
